The Leonard Case Comes Up in Court Again.

SEVERAL NEW POINTS RAISED

The Re-appointment of the Michigan Trust Company as Fred Leonard's Guardian Will be Argued.

Yesterday morning when the appli-cation of Fred H. Leonard came up in and an appeal will protably be taken the Leonard setate and for a dissolution of partnership, the attorneys for the defendents made a motion to dismiss the application on the ground that the applicant is of unsound mind and night about 8 o'clock for Deputy incompetent to make the application. The motion was argued and dismissed. The hearing of the original application was then adjourned until Monday morning on a motion to postpone until after the hearing of the appeal from the action of the probate court in the appointment of the Michigan Trust company as Fred H. Leonard's guardean. The appeal was made on the ground that Judge Perkins was a stockholder in the Michigan Trust company at the time he made the appointment. The judge having since disposed of his stock, Frank ii. Leonard made an apphration yesterday to the probate court for the appointment of the Michigan Trust company as Fred Leonard's guardian. The former application was made by Charles H. Leonard. In the application made yesterday it is stated that Fred Leonard is afflicted with par-alysis and has become physically and mentally incapacitated to attend to his business. He has property valued at \$82,000 and real estate valued at \$35,000. It is stated that Mary E. Rice alleges to be the wife of Fred H. Leonard and both parties are cited to appear in the probate court November 10 for a hearing on the application.

ROBINSON'S SANITY.

Relatives Claim He Is Mentally Incompetent to Do Business.

An application for the appointment of a guardian for James Robinson of Solon township was argued before Judge Perkins in the probate court yesterday afternoon. The application is made by John W. Cole, Robinson's brother-in-law, who claims he is not of sound mind and capable to take care of his property judiciously. Robinson is a single man 27 years old, and about four years ago came into possession of \$2,500 by the death of his father, Munson Robinson. It is alleged that the young man's mind has been weakenng for several years and his relatives fear he is about to dispose of his property indiscretely. Munson Robinson was a brother-in-law of Melvin Clark of this larceny; pleaded guilty and sentenced city, and it is said his estate at the time of his death was quite valuable, but some trouble has been experienced in the attempt to locate all of it. The evidence on the part of the applicant was all submitted yesterday, and the defense procured an adjournment until November 15.
